- 1/ Take an empty cereal box. Add to this any other small cardboard boxes, tubes, paper or card you can find.
- 2/ Make a building of the future for Abingdon-on-Thames! This could be a house to live in or a building for future work, shopping or leisure. To decorate, use coloured paper, pens or paint.
- 3/ If you make more than one building, you can arrange them together to make a future town.
- 4/ Take photos of your creations.
- 5/ Take a short video (no more than 60 seconds) describing what you have made and why you think it will be a great thing for Abingdon-on-Thames.
- 6/ Share your photos and videos to <https://spaces.hightail.com/uplink/FERIA-URBANISM> or email to [info@feria-urbanism.eu](mailto:info@feria-urbanism.eu)
