

Fun in the Park and Music in the Park 2016—directions and travel advice coming from the South

Fun in the Park and Music in the Park are located in Abbey Grounds, off Abbey Close.

The postcode of Cosener's House, the hotel which shares the same entrance, is OX14 3JD.

Coming from the South: From the A34 Marcham interchange follow signs into Abingdon town centre, straight ahead at the double mini roundabout, taking you from Marcham Road into Ock Street. You will be forced left at traffic lights onto Stratton Way, then choose the left lane at the next set of lights, so that you can continue ahead into The Vineyard, then immediately change lanes to turn right at the following set of lights into Abbey Close. Follow Abbey Close 50 yards to the fork in the road outside Waitrose and turn right into the road closure area (from 8am). Then follow the road, passing the Guildhall on your right and continuing as the road bends left and becomes narrow—all the way down to the car park at the end where the staff will show you to your pitch. Exhibitors and vendors who wish to arrive early before the access road becomes difficult will be very welcome to arrive from 7.00am. From 8.15am you should expect there to be significant delays in access down Abbey Close.
