

## Autumn Dates

**AGM Date:** Choose Abingdon will hold its Annual General Meeting in the Guildhall on October 17th at 7pm. It's an important date for the Partnership as it reviews three completed years of operation. It's a public meeting for all to attend and oversee the formalities as we elect a new Chair and possibly some new board members. A full presentation of the results of our visitor research is also planned - extensive and in-depth research that tells us how well Abingdon-on-Thames caters to its visitors, what we can do better and where our strengths lie.
