

Cardholders get discounts (again!)

The latest Choose Abingdon Card email-newsletter has been out for over a week now. With details of discounts on the Arts Festival Ball tickets and on Go Active sports, as well as information about the Good Living Event on March 4th, any cardholder who hasn't received it is potentially missing out. If you have a Choose Abingdon Card and you have not received your cardholders newsletter yet, please email the Partnership Manager who will check your details on the database. Contact Heather Brown on heather.brown@chooseabingdon.co.uk or 07768 177577.
