

Local Excellence Market back soon

Local Excellence Market back soon: Just one stall space left unfilled for the Local Excellence market on Saturday 29th September. This is the market that absolutely fills the Market Place with food samplers, drink tasters, craft workersand happy shoppers! Live music is planned for this one so the atmosphere should be good. Great place to start getting ideas for unique and different Christmas presents. Many of our stalls are ready to trade even before 9am so it's a nice place to be if you like to be up and about nice and early!
