

## Gazebos for community use

**Gazebos for community use:** Choose Abingdon has invested in a set of ten gazebos (10ft x 10ft) which will be used for markets and showcase events and can also be borrowed by community groups, charities or small businesses who wish to use them on the market place for a community event or a local business promotion.

Users will be asked to make a small donation for each gazebo that they borrow so that a fund for their eventual replacement can be built up. For more information please email the Partnership Manager on [heather.brown@chooseabingdon.co.uk](mailto:heather.brown@chooseabingdon.co.uk)
