

Miele Factory Sale success

Miele Factory Sale Success: Saturday's busy Miele factory sale was a lucky break for many Choose Abingdon cardholders who were able to use their cards to gain an extra 5% discount off the seconds pricelist. Cardholders were informed of the extra discount opportunity when they received their email newsletters this week although some had already heard through Twitter.

We hope to find more commercial partners who will offer our cardholders special discounts so stay on the ball by checking the light blue "Special Offers" tab on the home page of this website and by reading your e-newsletter.
