

## Partnership Board increased and new Chair selected

**New Chairman selected:** At the last Partnership Board meeting the board co-opted long-standing local resident, Bryan Brown, to join the board and eventually become the new Chairman when the present Chairman retires from the post in October as he is obliged to do by the terms of the constitution. Until October both will be working closely with the Partnership Manager to deliver some of the new initiatives for 2012 and look at new directions for the Partnership now that the first three year phase is almost complete.

Bryan ran a business in the town for many years and also has experience of town centre retail development. He is looking forward to the challenge of leading the Partnership in the next three years. He will spend the next few weeks meeting board members and learning all he can about the Partnership's work to date.
