

## Thousand cardholder draw result

**Thousand cardholder draw result: March 4th 2011.** It might be usual to pull names "out of a hat" but this gorgeous handbag provided for the occasion by The Shoe Shop of Abingdon (Bath Street) made a much more attractive receptacle for the prize draw! The draw was made last Friday at the Good Living Event and the honorary role of pulling the winning ticket out of the handbag fell to Tony Stephens from Miele, the locally-based company that has sponsored the Choose Abingdon Card. The winning cardholder has won a £100-worth shopping spree in Abingdon. More details will be released when the winner has received their award letter.

All cardholders were entered whether they attended the Good Living Event or not, but another surprise awaited those who did attend as they were able to enter another free prize draw, and a second winner was chosen to receive a Miele vacuum cleaner worth £195!
