

Where to get your card

Where to buy a card: Theoretically any of the participating businesses should be able to help you but some are more geared up to sign up cardholders than others.

Frend & Co Jewellers in West St Helen Street and Added Ingredients in Stert Street have each registered over 50 cardholders. In each case the owners are members of the Partnership Board and are therefore well placed to answer your queries.

You can also buy a card in Bath Street at The Shoe Shop of Abingdon or the Lounge Cafe. Scuffs on the Market Place are also selling cards and so are Tiffins Tandoori. The Cross Keys have taken in significant stock ready for their forthcoming double points night.
