

Young Entrepreneurs Awards

Young Entrepreneurs Awards launched: Three local young entrepreneurs will be awarded cash prizes, a free promotional video and free advertising when the Choose Abingdon judges decide which of the entrants impresses them most. The Infineum Young Entrepreneur of 2013 will step up to collect their £1000 cheque from Dr Martin Dare-Edwards of Infineum, the global enterprise based at Milton Hill, during the awards ceremony which will be part of the annual Good Living...Locally Event on March 22nd.

Young people in businesses trading in or around Abingdon have until January 15th to apply. Entry is via one simple application form which asks entrepreneurs to share their excitement about what they do. The competition is open now for entries, and the flyer and application form are available to download at the side of this article. If you think a young entrepreneur you know should apply, nominate them by sending their contact details to **heather.brown@southandvale.gov.uk** or calling on 07568 564109 (leave a voicemail).
