

# Ice Age Trail

There are some animals from the Ice Age wandering around Abingdon Museum Attic Gallery.

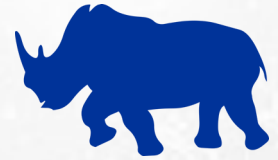

Take a virtual museum trip at <https://www.abingdon.gov.uk/museum/virtual-tour>  
look for the animal's picture and try to answer the questions.

Link a box with one animal  
with an arrow

1

A huge mammal with thick fur.

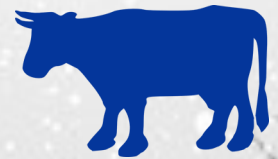

How many large teeth did this animal have?

2

An antlered animal.

Can you name an antlered species?

3

A solid-hoofed quadruped.

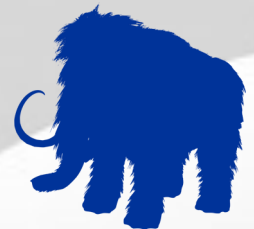

Can you name a species living during the  
Pleistocene period?

4

It has a large pointy horn on the nose.

How much could it grow in length?

5

An animal with horns.

Can you name a species living during  
the Ice Age?
