

OXFORDSHIRE COUNTY COUNCIL

OXFORDSHIRE COUNTY COUNCIL

1. (OXFORD CITY) (DESIGNATION AND REGULATION OF PAY AND DISPLAY PARKING) (VARIATION NO.5) ORDER 2017
2. (VARIOUS ROADS - SOUTH OXFORDSHIRE) (PROHIBITION AND RESTRICTION OF WAITING AND PERMITTED PARKING) (VARIATION NO.1) ORDER 20**
3. (ABINGDON) (DESIGNATION AND REGULATION OF PARKING PLACES) (VARIATION NO.2) ORDER 20**

STATEMENT OF REASONS

The proposal will give the option to allow payments for on-street parking without the need to pay at a machine and displaying a parking ticket on a vehicle.

A `Virtual Parking Ticket` may be obtained by means of connectivity to the internet or an appropriate application (`App`) via a mobile phone, or similar method (without the need to display a ticket) but which gives the same rights and responsibilities as the issue of a ticket for display.

No changes are proposed to existing parking charges

The County Council continues its responsibility to consider the provision of convenient and safe parking, and the proposed measures are aimed at improving accessibility to methods of payment.

Detailed documents accompany this form.
