

- Notes**
1. All Traffic Management and diversion signage installed as per the requirements of TSM chapter 8.
 2. All signs will be located to avoid obstructing footways and forward visibility for road users.
 3. Signs will be appropriately secured with sand bags or similar.
 4. Traffic Management to be installed and modified by competent and qualified operatives only.
 5. Gate men will be present at either end of the closure throughout works.
 6. Pedestrian access to be maintained through road closure.
 7. Advanced warning signs to be placed at either end of full closure extents 2 weeks in advance of works, showing date and duration of works.

- Key**
- Full road closure and works location
 - Partial road closure, access only
 - Diversion
