### MANAGEMENT ACCOUNTS

1. **Purpose of the Report**

To **approve** the management accounts for the period ending 30 November 2021.

2. **Summary**

As of 30 November 2021, the Council's expenditure across all services was £1,023,449 (47.5% of budget). Income received was £1,959,174 (93.6% of budget). There are no areas of spend which require members' particular attention.

The management accounts are reported to this committee only, as an interim measure. Members will be aware that the existing coding structure is not aligned with the Terms of the Reference for the committee structure adopted in September 2021. It is not possible to amend the accounts' structure part way through a budget year, and it is therefore intended that the management accounts will continue to be reported to this committee only until 2022-23.

3. **Action required**

The committee is requested to **recommend to Full Council** that the management accounts for the period ending 30 November 2021 are approved.

4. **Link to strategic plan and objectives**

Key Objective 3: To manage the Council's assets efficiently and effectively to meet for the needs of the community now and in the future.
