

Attendance Data Report for calendar year 2021

Note:

For parts of the calendar year 2021 sessions have been offered on a socially distanced basis. To allow for spacing out families in the room available we had to bring in a policy of advance booking and on some occasions we had to stop bookings when the limited number of places was filled.

Attendance data will not therefore be comparable with other years when there were no restrictions on numbers (other than general room capacity) and families could turn up at any time to join a session without booking.
