Planning panel Wednesday 18 May 2022 Applications considered

Present:

Cllr Lorraine Oates Chair
Cllr Grace Clifton
Cllr Pat Lonergan

Apologies from Cllr Jim Halliday

P22/V0798/FUL

38-44 Stert Street, OX14 3QS

Deadline for comments: 1 June 2022

Description: Erection of a rear extension to provide 3 no. two bedroom flats, including associated car and cycle parking, bin storage and landscaping works.

Requested by: Cllr Clifton

Reason: as per my previous objection, this plan does not take into account previous comments about parking and reduces available parking spaces for whole site

Reply sent 18.5.22: The town council objects to this application because the proposed development does not have sufficient parking provision on the site, leaving inadequate parking for the size of the development which could affect parking and road safety in the area. The town council notes that the County Highways Officer has advised that there is not enough information to determine the application and has raised similar concerns about the inadequate number of parking places for the proposed development. The lack of parking would contravene Core Policies 35(vii) and 37(xi) of the Vale of White Horse Local Plan 2031.

P22/V0989/HH

28 Appleford Drive Abingdon OX14 2BZ

Deadline for comments: 20 May 2022

Description: Proposed two storey extension to form annexe.

Requested by: Cllr Clifton

Reason: parking issue as plan effectively creates 5 beds with no additional spaces provided

Reply sent 18.5.22: The town council objects to this application because the proposed development would remove parking provision on the site, leaving inadequate parking for the size of the development. This could affect parking and road safety in the area. The town council notes that the County Highways Officer has responded with a similar objection and notes that, if approved, the development would contravene Core Policies 35(vii) and 37(xi) of the Vale of White Horse Local Plan 2031.
