Subject: Stratton Way Underpass	To: Town Infrastructure Committee
From: Karen Crowhurst – Locum Project Officer	Date: 17 th November 2022

A site visit was conducted with me, the Properties and Assets Officer and Cllr Skinner. I have contacted James Quartermain – Damascus Youth Services and Youth Voice Initiatives who are very keen to assist with the mural.

After establishing by reading minutes that permission has already been granted the Youth Vision initiative have sent me their ideas to paint a mural to commemorate the life and reign of the Queen. The mural could include the Queens favorite horse and corgis who were seen at her funeral. The two proposals are:

Attached are some rough designs youth voice came up with last night, they will be working on them in the coming weeks as well. They were all very enthusiastic about the project.

Idea one: The museum in town with a bun throwing event, the Queen on top and corgi's and horse hidden in the picture.

Idea two: The Queen through different years.

1936 the Queen at 10 years old

1942 the Queen during the war

1947 the Queen's wedding day

1953 the Queen's coronation

A famous Christmas day speech image

2012 James bond and the queen at the Olympics

2022 Jubilee featuring Paddington bear and the marmalade sandwich

They are also keen to do an 'icons' mural with people they admire, they wanted to ask if opposite the library might be an option.

I have asked for some more enhanced designs to be sent for Council approval.
