THANK YOU  
SO MUCH

## ABINGDON TOWN COUNCIL

Thank you so much for your incredibly kind donation of £10,000 to Be Free Young Carers. We are so grateful for your support.

Your support has made a huge difference in the lives of Oxfordshire's Young Carers. I have included an impact report showing the brilliant work we have been able to carry out this year.

Once again, thank you for your support. We hope we are fortunate to hear from you again in the future.

Kind Regards,

Hannah Waugh

# Be Free Young Carers' 2023-24 Impact

Our **School Holiday Activity Programme** continued to be a huge success. Our trips ranged from Chessington World of Adventure to Go Karting! We filled 683 places for Young Carers aged 8-12 years old with 97% of young carers saying that they were able to connect with others whilst on our trips!

The need 1-2-1 Emotional Support and Counselling has sadly continued to rise, however we are able to provide the crucial support. We delivered 181 sessions of counselling and 184 sessions of Emotional Support in 2023.

Our **13+ Youth Groups** have been thriving! Our teenage Young Carers have continue to decide the best trips for them. They have done pizza and games nights to attending a Young Carers Festival. We had 357 attendances at our youth groups in 2023, with 100% reporting that they felt happy and had fun when on the trip

We have 95 young carers registered in Abingdon and have 43 young carers attending schools in Abingdon including Larkmead, Abingdon and John Masons.

**A huge thank you from the BFYC Team!**
