**Re: Update on Nursery status**

Dear Tim

Following the sale of the estate two years ago, unfortunately we have now been served notice on the nursery area with effect from the 29<sup>th</sup> September 2024.

The new owner has now decided to take back the nursery/market garden and incorporate it into their wider landscaping plan for the estate.

We have negotiated some outside space to hold the 2024 Autumn bedding.

Looking forward to the 2025 season we will offer any help and support we can to you and your team, to assist you during this transitional period. Additionally, we have a polytunnel here that is available to you free of charge if you are able to find a suitable location.

Yours sincerely

Chris Ford.
