

This figure has been produced to support Thames Water's request for an Environmental Impact Assessment (EIA) Scoping Option under Regulation 10 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (as amended) for the South East Strategic Reservoir Option. The information presented in the figure includes material or data which is still in the course of completion, pending consultation, engagement, further design development and technical assessment as part of the ongoing CPAs.

Do not scale - if in doubt ask

Location Map Scale: 1:2,000,000
