 - ☺ Flag Panel
 - ☺ Ring Climber
 - ☺ Climb Up Ramp
 - ☺ Steel Ladder

Castle themed playground equipment sets the scene for imaginative play opportunities.

There are lots of activities and many ways to get to the top of the unit and reach the wide slide down to the ground. Shuffle decks enable movement around the unit and suspension bridges and a tunnel adding to this challenge.

Can accommodate up to 35 users.

Through innovative design, our aim is to provide opportunities for children of all abilities to play together.
